

Grandpont men in WWI

- Went to fight and died
- Went to fight but survived

The information on this map about men who went to fight but survived is collated from the 1918 Absent Voters' list. We know that this is an underestimate, because men under the age of 21 were not eligible to vote and are therefore not represented.

160 & 162 Marlborough Rd were demolished for the widening of Whitehouse Rd in 1972
